

DEMO DAY SCHEDULE

NOTE: Demos are repeated throughout the day. There will be two simultaneous demos during each time slot. Visit exhibitors to learn more about kayaks and canoes, gear and safety. Buy a raffle ticket to win a kayak and other great prizes.

Also, you may try different styles of boats on the water during the day – a great way to narrow down your choices if you're thinking of buying a boat.

10:00 a.m.	Registration begins.
10:15-10:45	Demo of whitewater freestyle tricks and Eskimo roll using different types of whitewater and recreational boats (In water) Choosing the right design and features of kayaks, safety gear and paddles (Out of water)
